

ABOUT US

OUR MISSION:

The mission of the Arts Foundation of Cape Cod is to support, promote, and celebrate the arts and culture of Cape Cod in order to sustain a vibrant, diverse and strong arts community.

We serve individual artists, cultural centers, fine and performing arts groups and businesses, and cultural and historical establishments such as museums and historical societies.

OUR ACCOMPLISHMENTS:

- **We fund** artists and arts and culture organizations through our grants, fellowships and scholarships.
- **We advocate** for the arts by engaging with legislators and the community.
- **We showcase** the work of local artists and welcome students from across the Cape to our Winter Art Exhibit.
- **We connect** our community with signature cultural events such as the Citizens Bank Pops by the Sea Concert and the TD Bank Summer Concert Series.
- **We provide** significant membership benefits such as arts advocacy, member workshops, and marketing for our members through our website ArtsCapeCod.org.

OUR COMMITMENT:

To fund even more deserving grant recipients and scholarships, to reach many local students, and to advocate and promote Cape Cod arts and culture in new and innovative ways.

OUR CHALLENGE:

Consistency matters! The power of sustained, annual operating support builds capacity and provides the consistent resources for the AFCC to fulfill our mission.
