OUR IMPACT

For over 30 years, the AFCC has been dedicated to building and strengthening the arts in our region.

Today, that work has never been more vital.

AFCC Grants

The AFCC is there to support our region's artists and cultural organizations facing the crushing financial impact of COVID-19.

In 2021, we awarded \$77,800 to Cape cultural organizations and artists. We will be awarding an additional \$150,000 for COVID recovery this year.

AFCC Access

The Access program is committed to funding grants that help Cape Cod's cultural nonprofits stay connected with our young people - fueling imaginations and building critical learning and life skills amid isolation.

AFCC Creative

Exchange Membership

The AFCC's professional development programs, podcast series, workshops, individual consultations, and training opportunities for our 300+ artists and arts organization members are impactful and a valued resource to the Cape's creative community.

AFCC Advocacy

The arts help drive our local economy, providing over 7,000 full-time jobs to Cape Codders. We are dedicated in our commitment to have a voice at the legislative table, advocating for the arts and highlighting the important role that arts and culture play on Cape Cod.
