Our Mission

To support and strengthen a vibrant and diverse arts and cultural sector for everyone in the region.

The Falmouth Road Race

Celebrating its 52nd year, the Falmouth Road Race is one of the premier running events in the country. This year, the race will host 10,000 participants, drawing from an international field of Olympians, elite, and recreational runners who will descend upon Falmouth to run the iconic 7-mile seaside course.

AFCC Impact

For over 37 years, the AFCC has empowered our creative community by providing vital support, resources, and opportunities to our local artists and cultural organizations and impacts all who live, work, and visit Cape Cod.

AFCC Grants

Over the past seven years, we've increased our grant funding annually to support programs and projects that not only provide joy, but offer healing, strengthen community, and fuel innovation.

AFCC Access

Access is committed to connecting all children on Cape Cod to the power, wonder, and beauty of the arts, fueling their imaginations and building critical learning and life skills for students whose families can't afford that expense.

AFCC Creative Exchange

The AFCC's professional development programs, podcast series, workshops, individual consultations, and training opportunities for our 400+ artists and arts organization members are impactful and a valued resource to the Cape's creative community.
