## OUR MISSION

To support and strengthen a vibrant and diverse arts and cultural sector for everyone in the region.

## OUR IMPACT

For over 38 years, the AFCC has empowered our creative community by providing vital support, resources, and opportunities to our local artists and cultural organizations and impacts all who live, work, and visit Cape Cod.

---

## GRANTS

Over the past nine years, we've increased our grant funding annually to support programs and projects that not only provide joy, but also offer healing, strengthen community, and fuel innovation.

## ACCESS

Access is committed to funding grants that help Cape Cod's cultural nonprofits stay connected with our young people—fueling imaginations and providing critical learning and life skills to children and families that can't afford that expense.

## CREATIVE EXCHANGE

The AFCC's professional development programs, podcast series, workshops, individual consultations, one day conference, and training opportunities for our 180+ artists and arts organization members are impactful and a valued resource to the Cape's creative community.

## ADVOCACY

The arts help drive our local economy, providing over 7,000 full-time jobs to Cape Codders. We are dedicated in our commitment to have a voice at the legislative table, advocating for the arts and highlighting the important role that arts and culture play on Cape Cod.
